

WORKSHOP MONTREAL

(a similar meeting will take place in Germany in July 2018)

Prevention (of Dementia): Past, Present, Expectations

Date: 28 (1-5 pm) and 29 September (9 am-5 pm), 2018

Where: Université de Montréal, Faculty of Nursing (Pavillon Marguerite d'Youville),
2375, chemin de la Côte Sainte-Catherine, Montreal, Salle Alice Girard (room 2041)

September 28, 2018

1 – 1:20 pm: Welcome

Part 1: Aging and the idea of prevention

1:20 – 2:05 pm: Kirsten Bell (Roehampton U): Arresting progress: 'Tertiary prevention' and the ageing body

2:05 – 2:50 pm: George Weisz (McGill U): Historical perspectives on prevention in medicine and public health

2:50 – 3:35 pm: Barbara Marshall (Trent U): Romancing successful ageing: Culture, biomedicine and the 'heterosexing' of aging bodies

3:35 – 4:00 pm: PAUSE

4:00 – 4:45 pm: Alan Petersen (Monash U): Can and should we prevent ageing?: Technological promise in the market of "anti-ageing treatments"

September 29, 2018

9 – 9:10 Welcome

9:10 – 9:55 am: Jennifer Fishman (McGill U): The new terrain of “precision prevention”? Public health ethics in the era of genomic medicine

9:55 – 10:40 am: Thomas Foth (U Ottawa): Governing through lifestyle – Lalonde and the biopolitical management of public health in Canada

10:40 – 10:15 am: Melanie Rock (U Calgary): Aging, inequity and multi-species entanglements: Troubling disease prevention and health promotion

10:15 – 10:30 am: PAUSE

10:30 – 11:15 am: Steve Coutereel (Les Grands Ballets de Montréal): The aging dancer’s body – a participative mini-workshop of prevention (for all participants)

Part 2: Preventing dementia?

11:15 – 12:00 am: José A. Morais (McGill U & CUSM): Preventing cognitive decline: Preserving autonomy in older adults

12:00 – 1:15 pm: LUNCH

1:15 – 2 pm: Stephen Katz (Trent U): The preventive uncertainty of Mild Cognitive Impairment (MCI): The experts, the brain market and everyday narratives

2 – 2:45 pm: Silke Schicktanz (U Göttingen): If dementia prevention is the answer, what was the question? – Observations from the German dementia debate

2:45 – 3:30 pm: Alessandro Blasimme (ETH Zurich): Trajectories of life and decline: some remarks on the pathologization of the normal

3:30 – 3:40 pm: PAUSE

3:40 pm: Annette Leibing (U Montréal): Situated prevention: Framing the ‘new dementia’
