Selected talks – International

Invitations to established conferences in my field/peer-review conferences:
Between 2000-2015, I was invited as a speaker at **international conferences ~ 50**

times (as a keynote speaker or via accepted papers), as a speaker at **national conferences/workshops over 80 times** (own conferences are excluded).

1. 2 Oct 2017 **Tel Aviv College: Minerva-Gertner Symposium**: What matters for PHR debates in a comparative view: Gender and the definitions of life and death
2. 17 Oct 2017 **Humboldt University Berlin**, Contested Authorities over the Body: Dying in Modern Medicine as Political Litmus Test? Comparing Citizen's Moral Opinions about End of life Decision in Israel and Germany (invited talk)
3. 16 March 2017 **Tel Aviv University, Safra Center**: The Visionary Shaping of Dementia Research: Imaginations and Scenarios in Biopolitical Narratives and Ethical Reflections
4. 10 Fe 2017 **Univ Zürich**: Altern zwischen Botox und Demenz – Gerontologie und Ethik im Dialog: Podiumsdiskussion (invited talk)
5. 4-5 Jul 2016 **Univ Amsterdam: Symposium: The ethics of physician-patient communication and decision-making. Combining empirical findings with normative analysis**: Long-term decision-making in the context of predictive diagnostics (invited talk)
6. 17. Jun 2016 **World Congress of Bioethics, Edinburgh**: Participatory Ethics (CfP)
7. 26. May 2016 **National Academy of Mexico/ICSU**: Addressing Gender issues as scientific responsibility (invited keynote)
8. 15. April 2016: **Brocher Symposium, Genf**: "To know or not to know – is this the question? The ethics of imaginations, scenarios and later life planning based on predictive dementia tests" (invited)
9. 8. Feb 2016 **Rotterdam University, NL**, "Medical Ethics Department: "Lay and Professional Attitudes towards End-of-Life Decisions in Germany and Israel. A comparative puzzle for broader ethical implications?" (invited)
10. 9. Feb 2016 **Rotterdam University, NL**: Professional responsibilities in late-onset Alzheimer's research and pre-symptomatic prediction, Symposium (Invited)
11. 6. Jun 2015: **Riga, Lettland**: Ethik in den globalisierten Wissensgesellschaften Estlands, Lettlands, Litauens und Deutschlands (DAAD Symposium) „Die Rolle der Ethik in den verschiedenen Bereichen der Naturwissenschaften“ (invited)
12. 15 Dec 2014: **Medizinische Universität Innsbruck, Comprehensive Center for Infection, Immunity and Transplantation (CIIT) (AT)**: "Why giving organs? Empirical and ethical insights on altruism, incentives, and reciprocity"
13. 10 Nov 2014: **Mind the Risk Workshop, Paris (FR)**: Risk & Responsibility
14. 23 Sep 2014: **Institute for Health and Care Research, University of Amsterdam (NL)**: Patientslikeyou? - Current hurdles and misunderstandings in decision-making and research participation of personalized cancer treatment (invited)
15. 19 Sep 2014: **Ageing, Anti-Aging & Ageism Constructions and Politics of Being Old in Europe**, Midterm Conference of the Research Network "Ageing in Europe", European Sociological Association (ESA) **Klagenfurt (AT)**: "Biomedical life plans and the ethics of anti-aging medicine" (CfP)
16. 23 Jun 2014: **Minerva Center for Interdisciplinary Studies of the End of Life, Tel-Aviv University (IL)**: "Patient Attitudes Towards Euthanasia: Some Insights from an Empirical-Ethical Study Comparing Germany and Israel" (invited keynote)

17. 05 Mar 2014: **Dept. of Social Science, Health and Medicine, School of Social Science and Public Policy, King's College London (UK)**: "Genetics as Social Practice – Transdisciplinary Views on Science and Culture"
18. 05 Mar 2014: **Dept. of Social Science, Health and Medicine, School of Social Science and Public Policy, King's College London (UK)**: "Taking it personally?! Professionals' hopes and patients' pragmatics about personalised medicine – insights from an integrated empirical-ethical study"
19. 04 Mar 2014: **Centre for Health, Medicine and Society: Past and Present, Dept. of History, Philosophy and Religion, Oxford Brookes University (UK)**: "The Importance of Narratives of the "Affected People" in the Biomedical Sciences - Beyond Experts' Voices" (invited)
20. 05 May 2013: **World Congress of Research Integrity, Montreal (CA)**: "The concept of responsibility in research" (keynote)
